

Memorandum of Understanding

Between The Division of Clinical Psychology, Hong Kong Psychological Society

And the Director, Graduate Studies in Clinical Psychology,

Department of Psychology, The Chinese University of Hong Kong (CUHK)

1. The Division of Clinical Psychology of the Hong Kong Psychological Society (hereafter the Division) and the Director, Graduate Studies in Clinical Psychology, Department of Psychology, The Chinese University of Hong Kong have reached the following understanding on the standards of supervised clinical practice with respect to the MSc Programme in Clinical Psychology (hereafter the Programme) of CUHK.
2. The Director of the Programme expresses support to the Division's work on upholding the standard of supervised clinical practice of clinical psychology trainees in Hong Kong. The Programme will continue to aspire for the highest quality of clinical training, consistent with the guidelines for supervised clinical practice as set out in the Division's document "Guidelines for Accreditation of Clinical Placement Setting for Clinical Psychology Training and Accreditation of Supervised Clinical Practice Provided by Clinical Psychology Training Programme".
3. If the Division at any time has come to notice that the Programme's placement arrangements may have deviated from the Guidelines, the Director of the Programme shall welcome immediate communication with the Division, and if needed, the Director will provide the necessary information to clarify or rectify the discrepancies.
